# What you get

A collection of 16 assorted chocolates, purely organic and lovingly hand crafted with all the passion and care you'd expect – and it shows! The flavours and textures are delightfully tempting – this is the way chocolate is supposed to taste! The presentation too is excellent: either red, white or fuchsia Christmas themed bags decorated with gorgeous silver ribbon.

These chocolates cannot be bought in any shop – this is your exclusive limited Christmas offer from Heavensent Desserts. Your guarantee of excellence and flavour, gifts beyond compare. We won't compromise on quality and neither should you! When only the best will do... give a signature collection of organic chocolates that are **Heavensent**.

Each organic chocolate collection gift pack includes:

## Almond Clusters

Caramelised Slivered almonds coated in rich dark chocolate and finished with white chocolate stripes

## Coconut Rushes

Dark chocolate ganache truffle, dipped in white chocolate and rolled in delicately shredded coconut

## Flaked Almond Truffles

Dark chocolate truffle, coated in dark chocolate, and finished in toasted almonds

## Milk Chocolate Truffles

Milk Chocolate Truffle, coated in milk chocolate and rolled in milk chocolate sprinkles
